Chair Report

Chief Jason Shivers, Chair

Chief Shivers reported that Chief Galanski has been active on the TED Committee. Two of the three EVMS proposals were approved for 2024 FRI; AFFF PFAS Transition and Apparatus Purchasing and Specifications Writing.

Vice Chair Report

Chief Ed Rice, Vice Chair

Chief Rice reported that Cummins continues to work on its EPA CARB 2027 strategy. Cummins plans to launch the X10 and next gen X15 motors on January 1, 2026. The EPA regulations are highly challenging; however, Cummins understands the needs of the fire service and are working with all chassis builders to release the options that are important to the industry. Cummins will continue to work with FAMA and all agencies to minimize the impact on the fire service.

Chief Rice stated that Cummins expressed appreciation for the collaboration with the IAFC, FAMA and other industry association to ensure the fire service can complete the fire service mission.

Treasurer Report

Chief John McDonald

No report to submit. \$400 was spent on the Electrification of Fire Apparatus videos.

Election Committee Report

Chief Ed Rice, Vice Chair

All candidates for the Board ran unopposed, therefore they each won by acclimation.

Old Business

Supply Chain Guide for Fire Chiefs Update

A discussion came to the conclusion that due to the difficulty of EVMS addressing this topic, outreach will be initiated to determine if a joint venture with FAMA is possible. Mr. Beecher who is a member of FAMA will make the introduction.

Electric Emergency Fire Service Vehicle Videos

Chief Souders reported that Part 2 of the EEFSV videos is posted on the EVMS website with its accompanying Power Point slides. He recommends that the Power Point Slides be merged into the video.

MOTION: 14 August 2024-01

Motion made and seconded to approve \$800 to merge the EEFSV part 2 PowerPoint slides into the video. Motion carried.
